Post Report 2022

Opening Exhibition

Today we visited Saudi pet & Vet exhibition it had a diverse set of companies, local and international. Also, we found out that there is a large and promising market in the Kingdom for pets and there is a lot of attention at different levels Ministerial, personal level and at the level of animal products.

Dr. Suleiman bin Ali Al-Khatib.

Deputy Minister for Agriculture Affairs

Ministry of Environment Water and Agriculture

Exhibition Objectives:

- Raising** the private sectors awareness of the importance of investing in the field of veterinary medicine and pet supplies.
- Launching** an annual platform for exchanging scientific and practical experiences.
- Activating** the culture of volunteer work for pets.
- Highlight** on the importance of raising pets in society.
- Launching** small and medium investment initiatives in the field of investing in pets & veterinary medicine.
- Organizing** meetings of companies exporting and importing vaccines and veterinary medicines.
